

HSE Policy Statement

It is the policy of Terra Energy Sdn Bhd to conduct its activities in such a way as to:

1. To achieve Zero Fatality / Loss Time Incident / Medical Treatment Case / Restricted Work Case
2. To achieve Zero incident affecting environmental
3. To achieve Zero complaint from interested parties due to HSE issues.

TESB will pursue this policy through the implementation of an HSE Management System (HSEMS) supported by visible management commitment and through individual contributions. Our HSE policies will be communicated to subcontractors to ensure their operations are planned and conducted in line with our corporate values.

Adherence to our stated HSE policies and procedures is of paramount importance to the success of the company. All TESB employees understand that HSE performance is their responsibility, that they must conduct themselves in a safe and proper manner while carrying out their task and that compliance with all HSE policies and procedures is a condition of employment.

Assessing the effectiveness of our policies and procedure in our operations will ensure that opportunities for continuous improvements exist while achieving our HSE goals and objectives.
